

Dear Colleague:

It is with pleasure that we announce the acceptance of applications to apply for the **New Jersey League for Nursing (NJLN) 2017 Scholarship Awards**.

We invite you to nominate an individual to be considered for one of the \$1,000 scholarships that are available. Please review the defined criteria carefully for eligibility and submission details. **The deadline for submitting all documents is no later than Friday, September 15, 2017.**

The scholarship awards are based on academic achievement and merit, and the selection of recipients will be made by the New Jersey League for Nursing Scholarship Committee.

The scholarship winners will be honored during the NJLN Nurse Recognition Awards Gala, held on Friday, November 3, 2017 at the Pines Manor in Edison, New Jersey.

Our official invitations will be sent in September, however, it is not too early to make your reservations now. Tickets are \$100 per person, we encourage you to reserve a table of 10 for group seating. Please send an e-mail to info@njln.org to request ticket information. The funds raised during the NJLN Gala will go towards awarding future education scholarships.

We hope you will be able to join us to support the nursing profession by attending this exciting event. It will be a wonderful night of recognition, a chance to win some amazing raffle prizes, and a great time socializing.

Thank you for your support of the New Jersey League for Nursing.

Sincerely,

Donna L. Murray
