

You are Invited to Participate...

Dear Colleague:

The New Jersey League for Nursing is hosting its annual **PRACTICAL NURSE STUDENT EDUCATION DAY** for Practical Nursing Students from schools of nursing in New Jersey. Our theme is *"Journey Into Practice: Taking The First Steps."* This event will be held on **Wednesday, April 26, 2017** from 8:00 a.m. – 3:00 p.m., at The Pines Manor, Route 27, Edison, New Jersey.

This program has been developed by nursing faculty and nurse leaders in the practical nurse setting to help Senior students as they plan for their transition from academic studies to practicing nurse. Ample time is scheduled during breaks and lunch for participants to visit exhibits and talk directly with your representative. We know your schedules are hectic, so our exhibit times are designed to end after lunch.

This is an exceptional opportunity for nurse recruitment, review course programs, educational institutions that offer R.N. Degrees, and medical product or service companies. We have received overwhelmingly positive response from the New Jersey LPN Schools of Nursing who register their students. This event has been highly attended, we have had approximately 300 Practical Nursing Students in attendance in previous years!

Please review the attached Exhibitor information for complete details. We are offering one **FREE Exhibit Space to any vendor who participates as a Sponsor with financial support of \$1,000 or more. General Exhibit space is available at the low cost of only \$400. We can accommodate only ten (10) Exhibitors at this event so it is important to register early!**

For more information, please contact our Event Manager, Susan Chandler, njlncandler@gmail.com or 908-789-3398. We appreciate your support and look forward to seeing you at the **NJLN 2017 PRACTICAL NURSE STUDENT EDUCATION DAY!**
