

**Dear Practical Nursing Program Director:**

The New Jersey League for Nursing (NJLN) is pleased to invite you to register your Practical Nursing Students to attend our **“Practical Nurse Student Education Day”** on **April 25, 2018** at **The Pines Manor, Route 27, Edison, New Jersey**. **We have a very dynamic program planned to focus on “Journey Into Practice – Taking the First Steps”.** **There are three areas to this program: Legal Aspects of Nursing, The Bridge to Registered Professional Nursing and Navigating the Nursing Job Market.** We have invited potential exhibitors from facilities that are seeking to hire LPNs or to continue their educational endeavors to give students the opportunity for networking.

The NJLN continues to recognize the importance of the Licensed Practical Nurse as a valuable member of the health care community, and this program will help assist students as they plan for their transition from academic studies to practicing nurse.

**Registration for our “Practical Nurse Student Education Day” is on a first-come, first served-basis due to limited space (Maximum 300 attendees).** **Student Fee: \$40.00 and Faculty Fee: \$50.00.** We encourage you to register early, and we have two easy ways to do that:

- 1. GROUP REGISTRATION:** If you are a County Institution/School that must provide payment through a purchase order or require an invoice, follow the Group link below to use our Online Registration system. You will need to provide the first name, last name of all attendees in an excel spreadsheet or word document to finalize your registration to [info@njln.org](mailto:info@njln.org). By mailing a copy of your purchase order we will consider that as a guarantee of full payment.
  - **Register Group Now: Use if paying through a Purchase Order or Group Invoice Payment**
- 2. INDIVIDUAL REGISTRATION:** If your students / Faculty will be responsible for paying their own registration fee on an individual basis, they must complete the Registration and process payment through the link below with our Online Registration system.
  - **Register Now: General Individual Registration for Payment by Credit Card or Check.**

**The NJLN plans to award nursing scholarships in the amount of \$250 each!** We would like to give you the opportunity to **nominate ONE student from your school, who is registered to attend this program** for consideration to receive a NJLN nursing scholarship award. This student should be an individual who is in good academic standing, has been actively involved in school activities, and exemplifies the ideals of providing future quality patient care. We will leave the selection to your expertise for a deserving student. **There must be at least ten (10) students attending from your school of nursing to have ONE (1) eligible to be considered for the scholarship award.**

Please complete the Nursing Scholarship Award Application and forward it with a reference letter stating why you believe this individual should be considered for a scholarship award. Award winners will be announced at our program on April 25th. **All completed forms must be received at the NJLN office prior to April 5, 2018.**

**For complete information on our “Practical Nurse Student Education Day”, please visit our website:**
