

NJLN DAISY Committee

As a member of the DAISY Committee you are responsible for reviewing and selecting the DAISY Award for Extraordinary Nurse Educators (DAENE) based on the criteria that has been defined and implemented. As needed, you will revisit the criteria and process to ensure it continues to meet the needs of the program in selecting the recipients. A good amount of reading and reviewing required, following the guidelines set forth by this committee for the rating of the qualified candidates and ultimately selecting the recipients. Typically, seasonal: Late Summer/Fall timeframe through awards ceremony in early November.
