

NJLN Scholarship Committee

As a member of the Scholarship Committee you are responsible to review and aid in the selection process for the scholarship awards based on the NJLN criteria that has been defined and implemented. As needed, you will revisit the criteria and process to ensure it continues to meet the needs of the NJLN in selecting the recipients and meeting the education goals. Exploring and suggesting new ways to continue to grow the Scholarship Program (i.e., Grants, fundraising and donation ideas). Intensive amount of reading and reviewing required, following the guidelines set forth by this committee for the rating of the qualified candidates and ultimately selecting the recipients. Typically, seasonal: Summer timeframe through awards ceremony in early October and November, with the potential for other times throughout the year based on Grant funding for special scholarship awards.
