Our Mission

The New Jersey League for Nursing (NJLN) promotes excellence in nursing education to build a strong and diverse nursing workforce to advance the health of our state, nation, and the global community. We share best practices and experiences as an active member in healthcare.

The NJLN gives an equal and respected voice to all those who are involved in healthcare and publicly acknowledges those individuals and agencies that serve as role models of nursing excellence.

The NJLN advances nursing education through continuing education programs for all levels of nursing and offers scholarship award opportunities for those entering and advancing in the profession.

Whether you are an individual, education or healthcare institution, or an agency affiliated with supporting nursing and healthcare, the NJLN has a place for you!

Our Philosophy

The New Jersey League for Nursing believes in the professional advancement of nursing education and practice through programs and opportunities that address the needs of educators, practicing nurses, and students in a rapidly changing healthcare environment.

We believe in the importance of promoting collaboration and forming partnerships. The NJLN also believes that we must continue to positively promote nursing through education, scholarships, and public recognition of nursing excellence. The NJLN community of nurses is stronger together. Become a valued member today!
