MAUREEN SCHNEIDER

PhD, MBA, RN, FACHE

ATLANTIC HEALTH SYSTEM, CHILTON MEDICAL CENTER

Dr. Maureen Schneider serves as President of Chilton Medical Center and senior vice president, Atlantic Health System. Dr. Schneider maintains clinical, financial, and operational responsibilities for all inpatient and outpatient units, as well as clinical services.

Dr. Schneider has dedicated her career to advancing healthcare and nursing. She leads her team of healthcare professionals and caregivers with a patient-centered vision. Through Dr. Schneider's leadership, Chilton is able to provide innovative, personalized care to all within the community. Due to her stewardship, Chilton remains at the forefront of medicine within the state.

Dr. Schneider is committed to nursing education and holds an adjunct faculty position at Seton Hall University, her alma mater, teaching doctoral and graduate business and leadership/management and undergraduate students. She is also an accomplished author, coach, presenter, and executive/leadership mentor.

Dr. Schneider is the recipient of the Governor's Award for Nursing, a NJ Biz Top 50 Women in Business Award, a DAISY Lifetime Achievement Award, and was nationally named as one of Becker's Top 66 CNO's. Maureen was also recognized by ROI Influencers: Women in Business and in Becker's 177 Women Hospital Presidents to Know.

Dr. Schneider takes great pride in her professional leadership journey and her achievements in both educational and academic pursuits. She is proud to have collaborated with many nursing teams to earn such impactful recognition for nursing excellence, including Magnet Designation at three healthcare organizations. Throughout her career, she has been grateful for the opportunity to work with strong, vibrant nurses, mentors, leaders, and friends.

A message from Maureen: A very special thank you to my husband Charles, my children Brian, Steven, and Kathryn (all who are nurses), and their families who are always present to support me. Thank you to my colleagues, friends, and team for their ongoing support.
